BENEDICT Pauses Operations in Russia

We are saddened by the war in Ukraine. Our deepest empathy and concerns are with the millions of people impacted and we stand in full solidarity with Ukraine.

As a result of Russia's military actions against Ukraine, we are no longer delivering to nor taking in new orders from Russia until further notice. The war has had a huge human impact already. It is also resulting in serious disruptions to supply chain and trading conditions. For all of these reasons BENEDICT have decided to temporarily pause operations with Russia.
